**NAME OF ORGANIZATION:** CE2 Engineers, Inc.  
**NAME OF PROJECT:** Nunam Iqua Aluminum Welding Training  
**REPORT PERIOD:** April 15, 2007 to May 23, 2007

**PROJECT ACTIVITIES AND ACCOMPLISHMENTS:**

Briefly describe the grant activities undertaken during the period and any accomplishments achieved.

The Aluminum Welding training course started April 15, 2007 and was successfully completed on May 23, 2007. Three students were given hands-on instruction to properly prepare and weld Aluminum sheet metal. After the six weeks of training, all three students successfully passed their welding test and were issued Aluminum Welding Certifications. The Training was provided by South West Alaska Vocational Center, which is located in Naknek, Alaska. The three students flew from Nunam Iqua to King Salmon, where they were picked up by a representative from the school. All support services such as housing, meals, ground transportation, class room, materials, welding supplies and personnel protection gear were supplied by the school. After completing the training program, all three welders are employed with the City of Nunam Iqua Water and Sewer Project and are being paid a higher wage.
